GALLERY

JUNE 3 - JULY 16, 2005

opening reception: **JUNE 3, 5 - 9pm**

ABOUT WALSH:

Walsh Gallery continues to contribute to the constantly evolving world of contemporary art making and collecting, with an exhibition program that focuses on contemporary art from Asia and the Asian diaspora.

Walsh Gallery's space is reconfigured with each show. The artwork as well as space thus reflects the reality of an international art world that is in constant flux. Walsh Gallery space has become a place where viewers expect to be challenged and surprised with each show.
